School to Work Application

There are great career opportunities available for you, the student, to take advantage of through Work Releases, Internships, or Job Shadowing's during your Junior and/or Senior year/s at Pleasant View Christian High School. These experiences allow you to gain familiarity, skills, and experience in various career fields that you may interested in pursuing after high school or college.

Work Release – typically paid learning positions lasting one or more semesters in length

Internships – typically unpaid educational experiences in an organization or business lasting one or more semesters

Job Shadowing – typically one or two day experiences in an organization or business to gain some familiarity with career fields

I, _____ (students' name), am applying to participate in a/an
_____ (work opportunity) at
_____ (name of organization or business) on
_____ (day/s) each week.

If I were to choose this type of work as a career, it is my goal to gain familiarity, skills, and experience through the opportunity I have been awarded. I also promise to keep my academic work foremost in my goals so that I may graduate on schedule. If my academic goals are not being met, I will forfeit the opportunity I have been given to concentrate fully on completion of my academic work.
